<div class="divider reveal d2"></div>

<p class="section-body reveal d2">Clay's Corner grew out of a personal calling to serve – and a recognition that food insecurity in Houston is not an abstract issue, but a daily reality for thousands of families. Our founder, Ceondra Washington, channeled her expertise in leadership and operations into building an organization that is both strategic in its approach and deeply human in its values.</p>

<p class="section-body reveal d3">What began as a grassroots effort has grown into a structured, community-driven nonprofit with real impact – measured in pounds of food collected, families served, and partnerships built across Houston. We are proud to carry the name Clay's Corner as a quiet, personal reminder of why this work matters. It is a name that represents love, purpose, and the belief that the people we serve are worth every effort.</p>

<p class="section-body reveal d3">Today, Clay's Corner stands as a trusted resource hub in the Houston community – and we are only just getting started.</p>
